10. The description, measurements and numbers set out in the catalogue are believed to be correct but no guarantee or warranty is given or is to be implied as to the correctness of such descriptions, or the genuineness or authenticity of any lot or its fitness for any particular purpose.

11. Each lot shall, from the fall of the hammer, be at the sole risk of the purchaser and must be cleared and taken away, without fail, at the purchasers expense, in such order as the Auctioneers or their representative shall direct not later than 5.00 p.m. on the Friday following the sale, after which time any lot or lots remaining on the premises shall be liable for rent and expenses, storage and insurance charges, and will also be liable to be removed from the premises and left outside at the purchasers risk in all respects.

12. The purchaser will be responsible for all damage that it, its carriers, servants or agents may do to the property of any third (and in particular to the vendors premises) in removing the lot(s).

13. If within seven days after the sale the Auctioneers have received notice in writing from the purchaser that a lot is not as described in the catalogue and this notice can be substantiated with evidence, the burden of proof to be upon the purchasers, then the Auctioneers at their discretion may rescind the sale and return the purchase price.

14. No liability will be accepted by the vendors or the Auctioneers for personal injuries of any description and from whatsoever cause arising, sustained by any person whilst on the property of the vendors for the purpose of inspection, or during the sale, or whilst removing any lots, or on the premises in connection with the sale.

15. Each purchaser shall be responsible for and will release and indemnify the vendors, their servants and agents, from and against all liability in relation to each lot or lots sold or otherwise.

16. Each purchaser shall provide all vehicles, equipment and labour necessary for the removal of purchases.

17. If the purchaser shall make default in payment of his purchase money or neglect to comply with these conditions, or any of them, all money paid by him or his agent at the time of sale shall be forfeited to the vendors who shall be at liberty to re-sell the lot or lots at such time or times as they may think proper and without notice to the party or parties making default or neglecting to comply with these conditions, and in case of non-payment thereof the same shall be recoverable as and for liquidated damages. Any surplus arising on such re-sales shall belong solely to the vendors. This condition shall not prejudice the vendors or Auctioneers right to enforce the contract made at this present sale.

18. Neither the vendors or the Auctioneers will hold themselves responsible for any lots while on the premises. No lots may be collected outside the dates and hours set out nor will the Auctioneers transfer lots from one buyer to another.

19. The vendors, their servants or agents shall not be liable for any loss, damage or injury occasioned to any purchaser, the purchasers servants or agents, or to any person or any property which may be caused by any defects, imperfection or malfunction in any lot or lots or contamination caused by same.

20. If any dispute or difference arises concerning any lot or the interpretation of these conditions, the same shall be settled by the Auctioneers whose decision shall be final and binding on all parties concerned.
